STORE CREDIT

Jhericoco accepts returns for store credit within 30 days of the shipment delivery date (the date you received them). Some exclusions and restrictions apply, see below. Items must be in the condition you received them in; unworn, unwashed, and with all original tags attached. If you wear them and/or item is damaged, we will not grant the return, no exceptions.

As soon as we receive your return we'll send you a confirmation email with your store credit info. Processing returns can take up to 7 days so please be patient.

GUIDELINES

You have up to 30 days to send your return. Unfortunately we can't issue store credit if your return arrives more than 30 days after you received your order. Items must be in original condition which means unworn, unwashed and un-chewed with original tags & packaging. You are responsible for shipping fees. Jhericoco does not provide a return label - you are responsible for return shipping. We do not refund shipping fees unless the error is of ours. Processing returns takes up to 7 days after our warehouse receives your return, so please be patient. Store credit will be added to your account automatically for qualifying returns. You'll receive an email that your return has been processed.
